Join the Omaha Ski Club as we venture to Mammoth Mountain CA to join the Chicago Metropolitan Ski Council (CMSC) for some fun days skiing and partying. Mammoth

Mountain Ski Resort boasts the highest summit elevation in the state of California at 11,053 ft. It also averages an impressive 400 inches of annual snowfall for one of the longest ski seasons in the state that can sometimes last well into the summer as late as July and August, weather permitting. Located in the southwest corner of the volcanic Long Valley Caldera on the eastern edge of California's Sierra Nevada Mountain Range, Mammoth Mountain lives up to its name by offering more than 3,500 skiable acres, a 3,100 ft. vertical drop and enough beautiful terrain for all levels of skiers/riders. This trip includes: (the scheduled dates may change) your trip captain will provide a schedule prior to the trip departure.
