PRESIDENTS CORNER

It's HOT! July 4th is just around the corner, and the weather is hot and humid. There are a lot of summer activities for everyone to do in July. The Summer pool party at Ray Schulte's home will be on the 13th of July. The Beach party will be at Ron Rohr's on the 27th of July. There are group bicycle rides every Sunday morning with a group breakfast afterwards. Jazz on the Green will be starting soon, and a lot of us will be attending each week. We are putting together a group of bike riders to do the Corporate Challenge bike ride this year. Teri Hammon has more information on that if you are interested in riding. If we get at least 20 people, we get the club logo put on the ride tee shirts for free. (Good advertising.) Other activities are on a week- to-week basis. If you are on the club email and call list you will be receiving more information on these and any other activities that the club is doing. If you are not on the lists, call Teri Hammon at 571-4517.

A small group of club members will be going to KC the last weekend of June for a day of fun at Oceans of Fun and then take in a KC Royals game. This trip has been a lot of fun in the past. Teri will have pictures so that

you can see what you missed.

The board was looking into a rafting/climbing/biking trip to Colorado in early August. But due to the extremely dry conditions and current fires burning in many places in Colorado, we have put this trip on hold for now. We might do something else or just wait until next year.

One of these trips is our November Caribbean cruise. It started slow but we are up to nineteen people as of last count. We still have room for more. There is a single female signed up for the trip and she needs a roommate. Call Teri ASAP if you are interested in going or know of someone else who might want to go. This should be one heck of a long party.

As for this years' ski trips, The board is currently deciding on this years' trips. We hope to have most of the trips set up soon so that we can officially announce them in the newsletter. It has been a real challenge this year to decide where we want to go. Both USRSA and FSA are going to Summit County. (Keystone and Copper Mt.) There are also two big trips in the works (Lake Tahoe and Big Sky). We want to offer quality trips at a reasonable price. Ron is currently crunching numbers to get us

the best deals that he can. Trip captains will be needed for all of these trips, so step up and help us out this year. Some of you have been to these places before and know a lot about them. Any helpful information about lodging or transportation will help us in setting up these trips. Call Ron if you want to run a trip or if you just want to help set one up.

This year's board is now in place. No changes from last year. Pat McCall, President; Ron Bechdolt, VP Trips; Sally Dier, VP Activities; Teri Hammon, Secretary; and Don Hammond, Treasurer. The five of us will continue to do the best that we can to keep this club active and growing. We do need help on some of our committees. The Membership committee is now open and Brian can use some help on the Marketing/PR committee. Volunteer a little of your time and help us keep the club growing. We had a lot of new members join last year and we would like that trend to continue.

Dragons rock! (I hope they aren't starting any fires!)

Corporate Cycling Challenge 2002

We are in the process of forming a group to participate in the Corporate Cycling Challenge that will take place on Sunday August 18, 2002.

The distance varies with the route chosen. The Olde River Ride is 9.8 miles, the Riverside Ride is 22.4 miles and the Tour de Fort is 39.1 miles.

Each rider will receive a t-shirt, token appreciation gift at the finish line, full SAG support and food & water along the route. The cost is \$17.00 per rider and helmets are required. If you are interested in doing this, please contact Teri Hammon at dragonsrock@msn.com or phone 571-4517. If we have enough people for a Corporate Group (20 people) I will collect the registrations and turn them in as a group. Contact Teri as soon as possible and she will get you the registration forms.
