# PRESIDENTS CORNER

What is a ski club? It is a group of people who have gotten together to form a group to plan, organize, and run ski trips. Our club is a dynamic group made up of a number of smaller sub-groups. Each of these sub-groups has ideas and agendas for how they would like to do things. Lately, there has been some controversy between some members of these sub-groups. These differences are being worked out and we are going forward with the organizing and running of this year's ski trips.

These controversies have resulted in some changes to the Board of Directors. Ron Bechdolt has resigned from the board. The Board has voted to appoint Jennifer Pedersen (she received the next highest number of votes in the last election) to fill the vacant spot. Jennifer will be taking over as Secretary for Teri Hammon, who has moved into the VP of Trips position. Sally, Don, and I are keeping our same positions. If you have any questions about trips this year, direct them to Teri, or the Trip Captains when they are announced.

As for this year's trips, we are working hard to finalize all of the dates, places and prices. All of this year's trips will be announced in the next newsletter. The information you will need to decide which trip you want to go on will be included. The Banff, Canada trip was announced last month and there is still space available at this time. We will be canceling extra space on this trip shortly after the signup party to avoid paying any penalties.

This year's trip signup party is on October 12. Plan on attending so you can lock in a spot on one or more of this year's great trips. The party will once again be at the Regency Lake and Tennis Club, from 6 until 8 PM.

As this busy summer comes to a close, you will start to see footballs in the air, leaves changing

and that first morning with frost on your car. Winter is not far off. Before you know it the ski season will be upon us. Now is the time to check out your old gear. Check to see if everything is in working order. You might need to buy something new at one of the fall sales in the area.

In closing, I hope that any of you who have questions or problems with how or why we do things in this club, will take the time to let myself or someone on the board know what they are. We can't change things if we do not know what your concerns are. Good communication will go a long way.

**10 Benefits of Being an  
Omaha Ski Club Member**

**Or, what only \$22 Can Get You**

by Jennifer Pedersen

There are too many pluses to being a member of the Omaha Ski Club to list in one small article, but I thought it would be fun to list a few. Hopefully this will help others to start making their own lists of what they gain by being a member in this great club. Feel free to send me other ideas. Maybe we can make a Benefits List Part Two.

1. Camaraderie – People to have fun with both on and off the slopes who share an interest in skiing and/or snowboarding.
2. Well Planned, Arranged and Executed Ski Trips
3. Racing Opportunities – FSA and USRSA.
4. Annual Membership/Election Party
5. Annual Sign-Up Party
6. Monthly Newsletter
7. Annual Membership Roster
8. Monthly Social Gatherings
9. Annual Christmas Party
10. Fun!
