FUN IN THE SUN!

Summit County Trip

March 11-13, 2004

Nine members of the Omaha Ski Club gathered in Summit County for three days of Spring skiing. The weather was warm, the skies were blue and the snow was well groomed. On Thursday, Andy Rabick, Pat Connelly, Dave Lawler and Teri Hammon enjoyed skiing at Copper Mountain while Ray, Jane, Regan, Alaric and Greer Schulte enjoyed a day at Breckenridge. Later that evening, a welcome party was held at the pool, featuring pizza and pop. Leftovers were graciously accepted by the Best Western staff. Friday the group was split between Vail and Copper Mountain for another day in the sun.

On the last day, we were joined by Pat's cousin, Brian who had skied with us during the FSA trip to Copper Mountain last year. We converged on Keystone, along with many other enthusiastic youngsters on their first day of Spring Break! Greer was the leader of the pack, racing down the mountain. She was the first to get to the lift. Alaric was a close second and Regan proved to be the energizer bunny. She just kept going and going, no matter how tough the terrain was. Pat, Brian and Andy ended the day with a bump run, the Schulte's headed back to Denver and Teri got back on the lift for that last run of the trip. We enjoyed the last evening relaxing in the hot tub and then went to Dillon for dinner at Pug Ryan's Steakhouse. Good food...after we located the place. Everyone enjoyed the skiing, sunshine and good friends!

PRESIDENTS CORNER

This years ski season is just about over. There is one trip left to go and this season will be history. With the great early season snow, the skiing this year has been really good. Although there has not been much snow out West lately. The last trip going to Snowmass could end up being more of a great tanning experience and hot tub party then a great ski trip. Hopefully, the weather will help us out between now and then. Colorado always seems to get two or three really big late season snows. That will give us just enough snow to have fun in. Skiing is all about having fun, right?

The Omaha Ski Club offered five quality trips this year. Although our total number of skiers were down, all of the trips went well and everyone attending has had great ski experiences. With that in mind now is the time to start thinking about next years ski trips. The board needs your thoughts on this subject. Where do you, the members, want to go. We can set up a trip to almost anywhere but we need people to sign up and go on these trips. There are so many places we have not skied lately or have never skied before. Let someone on the board know where you want to go, so we can plan a great ski season for next year.

Board members? The election party will again be in May this year. We need people to run for the board. Some of you need to step up and help run this club. Most of the current board members have been on the board for a long time. We need people with new ideas and energy to help keep this club running. This club has been around for a long time but without a board to run it and recruit new members it will not last much longer. Contact Dave Lawler for information on what you need to do to run. Dragons rock!

Pat McCall, President OSC

A Funny Thing Happened In The Lift Line

by Jennifer Pedersen

Ever have one of those days when everything is just clicking together. You get up and your roommate has the coffee made. You walk over to the restaurant for breakfast and a table just opens up as you walk in the door. A foot of fresh snow has fallen overnight. You get dressed and remember all of your paraphernalia in the right order-the first try! You ski out of your condo and right onto the lift. What a day! All is great! The stars are in alignment! The fates are smiling upon you!

Well, I was having just such a day up the lift, down an awesome run without a single mishap and into the lift line. What could go wrong? Well I had to ask. Here I was standing in the lift line as I had for thousands maybe, ten thousands of times when IT happened. What you might ask. I was standing there minding my own business without a care in the world when...

(Please send your best lift line story to secretary@omahaskiclub.org, the conclusion of this story will be chosen from the submissions.)

Spring is here, so it's time to start thinking about another **sand volleyball** season. We play coed recreational volleyball, skill/experience is not required (but certainly is welcomed).

No details are available yet, but we would like to follow the same plan as in previous years, Wednesday nights at 7:00 p.m. with play starting in April or May. We would like to have 8 people on the roster, maybe 10, preferably an equal number of men and women, and subs in addition to that would be ok also. People will be placed on the team on a first-come, first-served basis. This is not an official OSC sponsored activity, so non-members are welcome.

Cost will depend on how many are on the team. Contact Dave Lawler at (712) 328-3982 or newsletter@omahaskiclub for more information or to sign up.
