## President's Letter

As we prepare for the 2012-2013 ski season, we hope for large amounts of snowfall, at least in the mountains. It has been a hot summer and we will welcome the cooler temperatures. I remember last year when there was so much water we just wanted it to go away. I think we wished too hard! Now we would welcome some moisture. Overall, it was a great summer for bike rides and outdoor activities. The ski club enjoyed many club organized bike rides as well as participated in some of the charity and organized rides this year. We also enjoyed a ball game, jazz on the green and a few taco rides. During last ski season, we started the season at Copper Mountain followed by Vail. We then joined with FSA for the Crested Butte Trip followed by our premier week-long trip to Banff and Lake Louise Canada.

The Omaha Ski Club recently created a Meetup.com account to keep our members informed and to help attract new members. This gives us one more way to keep current in the social media. Our membership has been slowly declining over the years. We have tried to offer great places to ski at reasonable prices to attract both existing members and new members, but this has not boosted the membership. So many younger people use social media as a means of communication, the Board felt trying Meetup.com would reach some of that population. In the short time the account has been active we have had over ten potential new club members join the meetup group. We encourage all of our current members to go to the Meetup.com website and join the Omaha Ski Club group. It's free and you have the option of indicating how often you want to be notified. By joining the meetup group you will help advertise our club and make managing club events easier.

We have been busy planning and negotiating some great trips for this next season. Ben Novograd will run the first trip to Summit County CO. Next, Dave Burden is taking on the complex FSA trip to Snowmass for an entire week at the beautiful Crestwood condos. I say "complex" because we are trying a new option for this trip (see details elsewhere in this newsletter). In March, Teri Hammon will run a North Lake Tahoe Adventure, skiing 5 or 6 different resorts around the north shore of Tahoe while staying at the Cal Neva resort. This is a joint trip with the Cornhusker Ski Club. It will be fun to party with CSC during FSA, and then go out to Tahoe for the week! In February, I will run an inexpensive trip to Keystone Resort in order to keep in shape for the Tahoe adventure.

Additional news, in August 2013 FSA plans to run a trip to Chile. I am trying to measure the interest in a summer ski trip. If you are interested in this trip, please let me know.

I hope you will join us for some great skiing and socializing as we prepare for the upcoming season.

Think snow!

Phil Bintz  
President  
Omaha Ski Club

# Trips 2012-2013

---

Once again ski season is almost here! Where does the time go? I just finished getting the ski gear put away and here it is again, time to pull it out and pack it up to go again. We have some great trips planned again this year and some incentives for your participation. I hope to see all the current members and add a few new faces to the trips. I think you will appreciate all the negotiation to provide you with quality lodging and reasonable prices. The Omaha Ski Club tries to offer our members a variety of places to ski each year. I hope you will find this year's line-up attractive.

First, we take you to **Copper Mountain** for a warm-up trip in December. This trip gives you a chance to find your gear and get your ski legs. This trip will include lodging and a welcome party. Lift tickets will be additional. There are a few of us that will be able to get friends/family discounted tickets with their season passes or you can look for deals online. We will always make a stop at King Soopers on the way out.

Following the Copper trip, we take a week-long trip to **Snowmass** with FSA. We will also be teaming up with the Cornhusker Ski Club to offer a bus trip option and a shorter stay. Snowmass lift tickets will include all four mountain options (Aspen, Aspen Highlands, Buttermilk and Snowmass). The week-long trip will include four days of skiing and the mountain picnic as well as the banquet, FSA welcome party and an additional OSC welcome party! Dave Burden agreed to run this trip again this year. Thank you Dave!

Next we return to **Keystone Resort** in Summit County to keep in shape for the next great adventure. Phil will run a trip to Keystone for a fun, inexpensive trip. We will stay at the Forest Condos. This trip includes lodging and a welcome party. Lift tickets will be additional. As with the Copper Mountain trip, we will be able to get some discounted tickets in Denver or if you find specials prior to the trip, this may be an option.

Finally, we fly into Reno and travel to **North Lake Tahoe** to explore several ski areas on the North Shore of Lake Tahoe. We have asked the Cornhusker Ski Club to join us as we team up for five days of skiing at a different resort each day and seven nights lodging at the Cal Neva Resort on the North Tahoe shore. The hotel will welcome us and I have arranged a farewell dinner for us on the last evening. We have an optional sixth day of skiing available or you can do a Tahoe Cruise or any other activities that are offered. The optional day is in the middle of the stay for those who wish to relax. This will be a great trip to sample the various resorts around North Lake Tahoe including Squaw Valley, Alpine Meadows, Homewood, Sugar Bowl, Mt Rose and Diamond Peak (optional).

**New this year....**We are offering raffle tickets for each trip that you sign up for AT or BEFORE the Sign-Up Party. You will have a chance to win one of the two **\$25 trip discounts**. The only way you have a chance to win is a trip application. Only one discount per person. (Raffle open to current members and reciprocal members of the ski club who sign-up for a trip) If you sign up for all four trips, you will have four chances to win one of the \$25 certificates.

The **Sign-Up Party will be September 23<sup>rd</sup>** at Clancy's on 114<sup>th</sup> & Dodge in Miracle Hills. We are meeting at 5PM in the party room. Come out and join us. New members welcome. We will have lots of information on the upcoming trips.

Again this year, we are offering each member that signs up for a trip, a free **pole flag or a leg band** with a zippered compartment. You can chose which option you would like. If you wish to purchase either of these items, they are being offered for \$5 each. These items have the old Omaha Ski Club logo in white with a royal blue background. One per year, per person.

I hope everyone had a great summer. We look forward to seeing you at the Sign-Up Party! Think SNOW!

## ***Snowmass Trip***

We are trying something new this year.

If you are not able to stay the week with Omaha Ski Club, you may want to consider going out with the Lincoln club. We are offering “reciprocal” membership agreements to any members who wish to go out with the Cornhusker Ski Club. This means if you are a paid member of OSC, you are also a reciprocal member of CSC and only need a trip application and membership application with reciprocal written on top (no additional dues needed) to join them on their trip. You would be staying at the Woodbridge Condos and would need to make payments to CSC. If you need this option, please contact Dave Burden.

### **Cornhusker Ski Club Bus Trip to FSA... Snowmass and Aspen, CO: FSA January, 2013**

Welcome to Snowmass along with three other mountains

on one lift ticket! Woodbridge Condos is our destination in Snowmass to celebrate another season of racing and partying with the other Flatland Ski Association clubs. Snowmass advertises 4,406 vertical feet, 3,132 acres of terrain, 91 trails, 21 chairlifts and access to your choice of cruisers, glades, steeps, terrain parks and halfpipes. If that isn't enough terrain to keep you happy, grab the bus to go to Aspen Mt., Aspen Highlands, or Buttermilk, which will be hosting the X-games while we are there.

—Sign up with a deposit of \$200.00 by October 1 for **\$775.00**; after October 1, price will be \$825.00.

—Sleeper bus leaves Lincoln **Tuesday evening, January 22, 2013 and will return early morning, Monday, January 28.**

—Price includes sleeper bus transportation, minimum occupancy at Woodbridge Condos (ski-in, shuttle out), 4-day lift ticket, activity ticket to all the FSA events and a pizza party the first night at the condos. Optional 5th day lift ticket will be available for \$47.00.

### **Have You Thought About Trip Insurance?**

Trip participants may want to consider purchasing travel insurance to cover unreimbursed costs resulting from having to cancel all or part of your ski trip due to unforeseen events such as an unexpected illness, injury, or sudden need to be at home. Not all travel insurance is equal. There are many policies available and you will need to contact a travel agent or conduct research on the Internet to find the right travel protection policy for you.

Listed below are a few online travel insurance sites that you may find helpful. Please understand that the Omaha Ski Club is not endorsing any of these entities or websites - we are simply encouraging you to consider the potential benefits of purchasing travel insurance if you wish to do so.

# Stormchasers Game

Five members of the Omaha Ski Club attended the game at Werner Park on August 2<sup>nd</sup>. It was a beautiful, cool evening, complete with a full moon. We watched the Chasers win over Reno, enjoyed beverages and good company. It was the first time some of us had seen the new stadium. It is a lot different than Rosenblatt without the tiers of seating. It is smaller, but more family friendly. Everyone had a wonderful time even though we had a small turnout. The final score was 4-2 Omaha over Reno.
