Trips 2016-2017 Season

Hi Folks!

As we begin another season, we need to start thinking about snow, powder, skis, boots, jackets, trips and all the miscellaneous items that go along with you when you go on a ski trip!

First and most important is **the trip**. Where do you want to go? This year we have a variety of trips to choose from. Do you want to get your ski legs early? If so, join us on the **Copper Mountain CO** trip in mid-December. You will need to purchase your lift ticket before you go on the trip—a four pass, a season pass or go online and order lift tickets. We have the rooms in Dillon and a welcome party for those who join us on this trip. If you are looking for a large group and want to see your old friends, join us in **Steamboat Springs CO** for either a week-long trip or the traditional four day trip. This is the Flatlands Ski Association (FSA) trip and offers skiing, racing, après ski specials, a welcome party and an awards banquet as well as lift tickets and an on mountain picnic. Plus, we get to stay in luxury at the Dulany at the Gondola, walk-out, ski-in condos. If you wish to travel closer to spring, you might join us for a week in **Park City UT**. We are offering this as a drive-out trip, but you can fly out on your own and shuttle to the area. This trip is a joint effort with the Alpine Ski Club, one of the Ohio Valley Ski Council clubs. We will have a welcome party and a farewell St. Patrick's Party. Bring your green! The lodging is at the Park Avenue Condos and this trip also includes lift tickets. If you only want to close out the season, we will be doing a trip to **Aspen** with the Chicago Metropolitan Ski Council (CMSC) in April. This trip includes lodging, lift tickets and a wine and cheese reception. If we fill these trips early, we may try to find something to do in February. Where do you want to go?

Next is **clothing, skis and boots**. Pull those skis out of the closet. Did you have them tuned before you put them in the closet? Are the edges rough and rusted? Do they have wax? Are your poles intact or bent from something falling on them? How about your boots? Are they cracked? Do the buckles work? Once we know the ski gear is okay, move on to the clothing. Does your ski jacket and pants still fit? Are they intact or attacked by the mice, moths etc.? This applies to sweaters and under layers also.

Finally, **snow**! Since we cannot control the amount, we can only hope for awesome, fluffy powder. It has been snowing recently in Colorado in the higher elevations. I am reminded almost daily that "It's coming..." and soon enough, we will be talking about the great runs we took, the not so great runs we found ourselves on, the great time we had and the new friends we made.

As I close, I wish to invite each of our members to join us on one or more of the trips this year. Bring a friend or spouse and enjoy the slopes! Where do *you* want to go?

Think snow!

"Got skis, gotta go!"

Annual Christmas Party December 11, 2016

Members and their guests are invited to the Omaha Ski Club annual Christmas Party at the *Nebraska Brewing Company*, 7474 Town Center Pkwy in Shadow Lake Shopping Center in Papillion (SW of Hwy 370 & 72nd St.). Social hour begins at 5:30 PM followed by dinner. Unlike our traditional Christmas party in the past, this year everyone will order their food from the menu selection at the restaurant. Choices include steak, salmon, chicken, etc. Pay for your meal, drinks and gratuity to the restaurant. We will continue our optional and *exciting* gift exchange. Gifts for the exchange should be LESS THAN OR EQUAL TO \$10. A piece of advice: don't get too attached to your gift selections until you are on the way home. It can be a homemade or a store bought gift to share. Be creative! If you like your gift, I am sure others will too! Be prepared to exchange gifts several times! The more folks that participate, the more fun we have!

Please RSVP to El Siebert at elsiebert@cox.net or phone at 402-453-9088. Reservations are due by December 8, 2016.

Hope you can join us! *El Siebert VP activities*
