## Two Board Positions to Be Filled this May

The terms of two of our board members, Steve Grunberg and Ben Novograd, expire at the end of May. This leaves two board positions to be filled at this May's election. Any current member can run for a board position; anyone interested should contact one of two people: our president, Phil Bintz, at 402-630-4753 or our secretary, Ben Novograd, at 402-291-5704. The club bylaws require us to prepare and distribute the election ballots to current members by two weeks before the election party; to do this, we need candidate information by the end of April. Ballots will be mailed during the first week of May.

## Upcoming Events.

# Utah Trip

February 20-27, 2022

*Fourteen* members of the Omaha Ski Club met at the Crystal Inn & Suites in Murray UT for a week of fun, skiing at five different resorts! We were hopeful that we would get a little fresh snow to play in. If not, at least there were the groomed runs. All the resorts had a good base and it was still winter in the mountains. We also welcomed our newest member to the group, Sarah Woodhouse. It was a joy to have her with us!

We had been at the Crystal Inn a few years ago, but Covid came along and changed a few things. They had hot; buffet breakfasts daily, but no longer had the evening appetizers. The hot tub was great and there was an indoor pool. We had to do our own housekeeping or request housekeeping a day in advance. Everything was very clean and the staff was helpful. We found out that they were short staffed as were many of the area restaurants. We adapted and found new restaurants to try each night. Sunday, we explored the Red Rock Brewery. We were going to have the welcome party there, but there were no reservations, limited staff and long wait times. Had to find another place for Tuesday evening.

Monday morning, we boarded the 953 bus at the bus stop in front of the hotel and set out to explore Alta. It was snowing and the visibility was very poor. We explored the mountain, found the area to crossover to Snowbird and enjoyed a nice powder run before we called it a day. Off to the hot tub for a while, then dinner at the Red Robin. Okay, it was a chain, but it was convenient.

Tuesday, we again took the 953 bus to Snowbird. First, we headed up the Peruvian Lift in order to cross through the tunnel to Mineral Basin. Just as we arrived at the tunnel, they put up the closed sign. They said there was an accident and didn't know how long it would be closed. We skied to the base and again took the Peruvian Lift up. The tunnel was still closed. We found other places to ski and stopped at

Creekside for lunch on the patio. It was partly sunny and cool. After we returned to the hotel, we learned that two Blackhawk helicopters had collided in Mineral Basin near the base of the Mineral Basin Lift. In hindsight, we had heard them as we were going up the Peruvian Lift, the one just stopped and the other was making a slow winding down sound. Thankfully, there were no injuries.

Pat, Steve, Sarah, Gretchen, Fred, Mary, Simon, Kim, Jamie, Debbie, Ellen, Pebbles, Phil, Teri

Later that evening, everyone attended the Welcome Party at the Old Spaghetti Factory. It was a nice building with old style décor and a streetcar in the middle of the building. The food was wonderful and everyone had a good time.

Wednesday, we got on the 953 bus, then transferred to the 972 bus to Solitude. It was partly cloudy to low light conditions. There were quite a few people and some of the runs were very hard packed and skidded off. We had lunch at the base and made a few more runs before we headed to the hot tub. It was a long bus ride with the transfer. That evening, we went to Mandarin Garden for Chinese. It was a nice evening.

Thursday, we again got on the 953 bus, transferred to the 972 bus to Brighton. It was partly sunny and the views were spectacular. We had fun taking all the lifts and exploring the mountain. We had lunch in the basement area of the base lodge with the rest of the brown baggers. We finished the day and returned to the hotel. The hot tub felt good. We decided to try Chuck-A-Rama buffet for dinner. The only place we didn't have to wait! The food was fresh and they had a large variety. The cinnamon pull-a-parts were to die for! We had one plate and went back for seconds! Oops, no pictures-they disappeared too fast!

Friday, some of the group drove to Deer Valley while others returned to Brighton. Deer Valley didn't disappoint. We had periods of sun and overcast. The runs were nicely groomed. We explored the mountain, had lunch at the base lodge and skied until the runs were skidded off. After returning to the hotel, some of us stayed in and had leftover Chinese for dinner. We were tired.

Saturday, we were on the 953 bus back to Snowbird. It was a beautiful, bluebird day. We went back to the tunnel and down into Mineral Basin. We saw the wrecked Blackhawks and crossed over to Alta and back. We enjoyed the views from the top of the tram and skied across the mountain. Lunch was on the deck at the Creekside Grill in the glorious sunshine. It was great to be outside, having fun with friends! In the evening, we had dinner at the Macaroni Grill. The food was great. We returned to the hotel to pack.

Sunday, we drove home or to other destinations to continue to ski. Thank you all for making this a great trip! A special thank you to Jamie for the help coordinating the activities and helping with the organization!

I hope you can join us at the end of the month when our adventures continue at Copper Mountain! Check the website.
