

President's Letter 2018-2019 Season

I will be optimistic and say that this will be a good year for skiing. With all the fires they've had out west, I wonder if there will be any trees left to ski. I don't think there was a state out west that didn't have a major fire. My prayers to the many who have lost homes and loved ones in the fires.

We have a good set of trips this upcoming ski season. We have announced the Copper Trip in December and also the FSA Steamboat Trip at the end of January. There are two or three more trips being planned and will be rolled out at the Trips Sign-Up Party on September 30th. Come join us at Legends on 69th and Pacific St. We will be answering questions and signing up for trips. Space on some of the trips is limited. If you have not been on a trip with us, come out and talk to some of the many people who have.

Our first trip to Copper Mountain in December will be with the Cornhusker Ski Club. It is always fun on the first trip since we are excited to start the season, find out if our clothes fit and find all the gear we need for the trip. My best advice is to start getting things together a couple weeks prior to the trip so you know where everything is and you don't forget something important.

We are a ski club and much of our existence depends on you! We need input to plan trips and we need your help to also spread the word that we do exist! Please help us by bringing a friend to our events. Every member is welcome to also attend our board meetings where decisions are made for activities and events. See our event calendar on our website at www.omahaskiclub.com.

Have a wonderful ski season and I look forward to seeing you on the slopes! Think snow...in the mountains!

Phil Bintz
President Omaha Ski Club
